O R D E R:

The Managing Director, A.P.MARKFED, Hyderabad in his letter fourth read above has stated that MARKFED has procured 3.16 Lakh MTs Maize under MSP during KMS 2013-14. Out of this 3.16 lakh MTs of maize procured, 27,664.205 MTs procured from 13 territorial districts of Andhra Pradesh during both in Kharif & Rabi seasons.

2. The Managing Director, A.P.MARKFED, Hyderabad has informed that as per the revised guidelines issued by the Government of India for distribution and disposal of coarse grains procured by the state agencies vide memorandum second read above, a committee has to be constituted to monitor and ascertain the quality of stocks, fixing of reserve price and disposal of the stocks through tenders in open market etc. Accordingly State Government has decided to constitute a Committee of the following Officers to oversee the disposal of the Maize as follows:

- |  |                       |
|--|-----------------------|
| 1. VC & Managing Director, APSCSCL           | ----- Chairperson     |
| 2. Regl. Manager, Central Warehousing Corpn. | ----- Member          |
| 3. Managing Director, MARKFED                | ----- Member-Convener |
| 4. AGM, FCI (Finance & Accounts)             | ----- Member          |
| 5. AGM,FCI (Quality Control)                 | ----- Member          |

3. The above Committee is directed to meet periodically and shall be responsible for getting the quality verification of the stocks being offered for sale, ascertained through the joint State –FCI quality confirmation teams, fixing the reserve price, approving the terms and conditions of the tender notice, evaluating the bids and making final recommendations for approval of the sale.

4. The committee would also propose a formula for fixing the reserve price. The reserve price cannot be constant and will have to vary based upon the location of the warehouse where the stocks are to be sold and the period in which the stocks are to be sold. While assessing the reserve price, the committee could evaluate the APMC rates for the past three months and rates in future markets also and should complete entire process of sale of procured stocks before commencement of next KMS season.

(P.T.O.)

5. All tenders for disposal of maize would be done through e-Tender and there will be no manual tenders for the disposal of maize.
6. The bids would be called for lot-wise. Each lot would mean the stocks of a particular procurement centre. If the stocks in a particular centre are too large, then the stocks would be split and offered for bid separately.
7. Once bids are called, the committee would meet regularly and evaluate the bids within two days and make recommendations to the State Government for approval of the bids.
8. The VC & Managing Director, APSCSCL, Hyderabad and the Managing Director, A.P. MARKFED, Hyderabad are requested to take further necessary action in the matter.
